Dear Mr. Tufano:

Thank you for your support of our annual Morgan Park Back to School Health and Safety Fair which was held on August 3, 2019. The Chicago Police Department's 22nd District Community Policing Office and its partners would like to thank you for your generous donation of 300 school kits. Your donation provided back to school resources to 300 underserved youth.

In partnership with six Morgan Park Churches, we distributed 300 school kits, handed out over 200 essential items, provided dental, health screenings and vaccinations to youth and their parents/guardians, delivered information to parents/guardians on ways to improve their quality of life and a host of youth activities. A total of 387 community residents attended this event. It is heartwarming that you cared enough about the community to take your time and consideration to provide families of the 22nd District with your donation. Please know that your involvement has made a positive impact and has helped to make this event memorable.

On behalf of the Chicago Police Department's 22nd District Community Policing Office and its partners, please accept my sincere thanks for your support.

Sincerely,
