BAHAMAS - Important Update _ Hurricane Dorian

The Regional Operations Manager from Bahamas shares the Network's and country status:

- 76 % of the network in Bahamas is up and running.
- The locations in Nassau, 25 in total, operates on their regular schedule.
- **GKRS** locations in Abaco and Freeport are suspended.
- **Moneymaxx** and **Suncash** locations in Abaco are suspended.

- The **Moneymaxx** location in Freeport resumes its operation today, September 5th, 2019.
 - o Operational hours were adjusted from 10 am to 3 pm.
 - o The agent has enough cash to pay Money Transfers.
 - o Security team is available at that location during operational hours and until the armored truck does their pick up.
 - o The armored truck will use the dropbox for the bank. They can access those and count deposits at their temporary location.
 - o Banks are closed. A few ones have indicated they will try to resume operations on September 6th, 2019.
 - o If cash is needed, the Agent will provide a secure transfer to the manager to collect cash from the temporary bank location; only until the banks have set up.

- The **Suncash** location in Freeport is being activated today. Their operation will resume tomorrow.
 - o Agent to provide details for hours of operations, cash availability, and security.
