

IMPORTANT ANNOUNCEMENT

Republic Bank of Chicago would like to officially announce **RCheck™**.

RCheck facilitates the electronic distribution of benefits from government agencies, including Social Security and Veterans Administration, and State Agencies including State Unemployment and Civil Service Administration.

RCheck also accepts Private Pension/Retirement benefits, Payroll and Tax Refund Checks.

Benefits for the MSB

- Ensure your customer is coming back to your location to pick up/cash their check*.
- Eliminate Mobile Deposit Fraud.
- Properly staff your location based on payment dates.
- Better serve your customer.
- Simple and familiar product using the iStream platform.

**RCheck recipient is not required to cash their benefit check at your location*

Benefits for the RCheck Recipient

RCheck is a simple way to receive your direct deposited funds by check at your local check cashing store (MSB-Money Servicing Business). If you have a regular payment that can be received by direct deposit, then *RCheck* Direct Deposit can work for you.

Benefits of *RCheck* Direct Deposit include:

- Early Pay on government benefits – up to four (4) days early.
- Electronic notification of payment availability.
- *RCheck* Mobile Application.
- Improved choice instead of being forced to a debit card.
- Safe and Secure. No more checks lost or stolen in the mail.
- Cost
 - \$3.45 for a single Government Benefit Check exceeding \$50
 - \$3.80 a month for payroll (up to four non-Government checks)
 - \$9.95 for a Tax Refund Check
